

Nativity (Christmas) Origami Story Teller

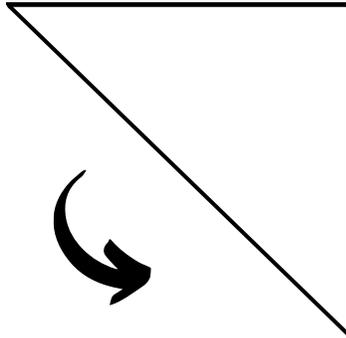

1. Color, cut out and fold the nativity story teller using the included instructions.
2. Have one person choose one of the top four squares. Spell out the word while opening and closing.
3. Player picks a number from an inside square. Count out the number while opening and closing. Repeat this step one more time.
4. Open the flap chosen and read the part of the prayer inside. Read the question and have the player give an answer.
5. Repeat as many times as you'd like.
